UNITED STATES INTELLIGENCE BOARD

MEMORANDUM FOR THE UNITED STATES INTELLIGENCE BOARD

Subject:

Reference: USIB-M-104, item 10

Attached for information and record purposes are copies of the paper tabled by the Army at the Board meeting of 21 June regarding  and of the letter forwarded to the Director of Research and Development of the Army on 24 June. As you will recall, pursuant to Board direction the Critical Collection Problems Committee (CCPC) considered on a crash basis the Army's recommendation for development of this system and Board Members telephonically approved this letter to Mr. Morse on 24 June.

Executive Secretary
